

MPPSCREEN™

SCREENING MANAGERS

The **MPP Screen™** is a psychometric tool that is widely used to attract and screen top performing managers. It is an efficient, cost-effective process to help an organization focus on candidates with the highest management potential.

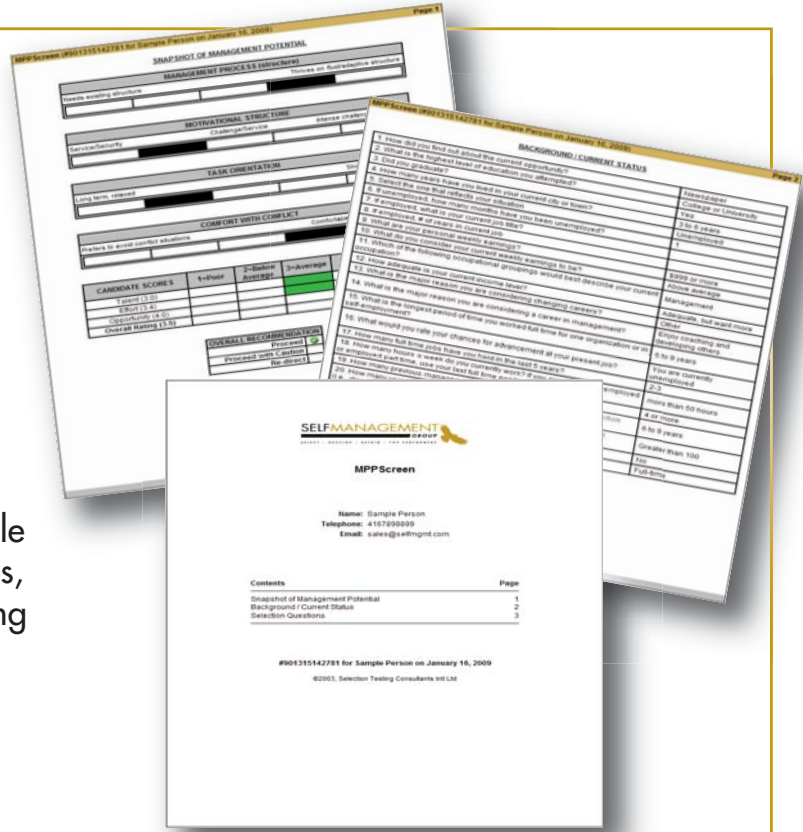

MPP Screen

- An online 24/7 screening tool to manage the flow of targeted recruits
- Assesses talent, work history and job fit
- Integrates into any Talent Management Solution or ATS
- Provides data to help predict performance and retention
- Customized to any organization
- Reduces both time and cost per hire

The **MPP Screen™** provides an efficient and economical solution to the challenge of targeting and screening a high number of potential recruits. It is a customized process that provides a quick snapshot of the candidate's potential for a management role. The screening system can be customized and tracked to ensure the appropriate flow of quality candidates to the next step in the selection process.

The **MPP Screen™** is used by organizations to identify and screen for candidates who will perform and survive in a management role. By assessing the inherent talent, effort history and fit to the position, the **MPP Screen™** is able to assist a hiring organization to rank candidates and focus the hiring resources on candidates with the highest probability for success.

By focusing on candidate's with a 'success' profile and screening candidates who lack the essentials, the **MPP Screen™** is the first step in a recruiting process that improves the odds of hiring top performing managers.

MPP Screen™

- Screens and eliminates candidates lacking essential management characteristics
- Identifies high potential supervisors and managers
- Provides an overall rating on talent, effort history and fit to management role
- Determines suitability for specific management positions
- Provides information for candidate/manger matching
