

MANAGEMENTSCREEN™

SCREENING MANAGERS

The **MANAGEMENTSCREEN™** is a psychometric tool that is widely used to attract and screen top performing managers. It is an efficient, cost-effective process to help an organization focus on candidates with the highest management potential.

MANAGEMENTSCREEN™

- An online 24/7 screening tool to manage the flow of targeted recruits
- Integrates into any Talent Management Solution or ATS
- Provides data to help predict performance and retention
- Customized to any organization
- Reduces both time-to-hire and cost-to-hire

The **MANAGEMENTSCREEN™** provides an efficient and economical solution to the challenge of targeting and screening a high number of potential recruits. It is a customized process that provides a quick snapshot of the candidate's potential for a management role. The screening system can be customized and tracked to ensure the appropriate flow of quality candidates to the next step in the selection process.

Identify High Potential Individuals Who Will Thrive In Management Positions

The **MANAGEMENTSCREEN™** is used by organizations to identify and screen for candidates who will perform and survive in a management role. By assessing the inherent talent, effort history and fit to the position, the **MANAGEMENTSCREEN™** is able to assist a hiring organization to rank candidates and focus the hiring resources on candidates with the highest probability for success.

By focusing on candidates with a 'success' profile and screening candidates who lack the essentials, the **MANAGEMENTSCREEN™** is the first step in a recruiting process that improves the odds of hiring top performing managers.

MANAGEMENTSCREEN™

- Screens and eliminates candidates lacking essential management characteristics
- Identifies high potential supervisors and managers
- Provides an overall rating on talent, effort history and fit to management role
- Determines suitability for specific management positions
- Provides information for candidate/manger matching
